We prefer you do not send us the actual photo albums. If you desire to do so, there is an additional \$5 fee per album for processing plus an additional \$3 per album fee for shipping. These books get heavy and triple the shipping and handling costs. If you have photos in albums, our staff must stop on each photo, remove it from album, scan it, and put it back in album. This takes time and we also do not like removing the photo from the book ourselves as photos rip from being in the book so long. We take the utmost care with your photos. We are not responsible for any damage that takes place removing the photo from the album to scan.

Please send this form, Photos and a check or money order to the address listed above. If you need to overnight or send by UPS or FedEx please just use street address above (no PO Box). NOTE: There is a \$25 minimum order charge.
